EDUCATION

- 2021 - 2025
JSPM'S IMPERIAL COLLEGE
OF ENGINEERING AND
RESEARCH, WAGHOLI, PUNE
 - Bachelor of Engineering (CS)
 - CGPA 6.91
- 2018 - 2020
JDMVP'S ARTS, COMMERCE
AND SCIENCE, YAWAL
 - Senior Secondary

TECHNOLOGIES

- Python, Java, C (academic)
- MySQL DB
- Power BI
- Tableau
- HTML, CSS
- ML, DA, NLP

LANGUAGES

- English
- Hindi
- Marathi

EXPERIENCE

- Sanjivani NGO2030 - January 2024
Web Development Intern
 - Successfully completed an internship focused on web development, working on various assigned projects under the guidance of the Sanjivani Team.
 - Collaborated with cross-functional teams to implement user-friendly, responsive websites and enhance user experience.
 - Applied problem-solving skills to address technical challenges and ensure timely completion of tasks.

WORK EXPERIENCE

- Image Classification Using TensorFlow
Tools: TensorFlow, Python, Google Colab, OpenCV
 - Developed an Image classification model using TensorFlow to recognize different classes of images like animals or objects.
 - Utilized TensorFlow Lite for optimized pre-trained models for mobile application deployment.
- Seed Quality Tester
Tools: Python, MySQL, VSCode
 - Utilized Image recognition algorithms to assess seed quality by an
 - Collected data from seed samples, processed them, and generated grading.
 - Developed an easy-to-use Interface for uploading seed images and with the software seamlessly.

INTERESTS

- Workout
- Volunteer Work
- Reading Books
- Travelling
